Travel Guide

In anticipation of your upcoming visit to Sedona Mago Retreat we offer our travel guide to help you in the process of planning and preparing for your stay.

Things to bring

1. **Toiletry items**: Our rooms come with towels, body soap, shampoo and conditioner. Any other toiletry items should be brought including toothpaste and lotion.
2. **Flashlight**: All our paths are lit but at night you may need additional lighting to ensure safety while walking.
3. **Journal**: A journal is a wonderful tool to keep a record of your reflection and inspiration.
4. **Protection from Sun**: Hats, sunscreen and sunglasses are recommended items to protect you from the strong UV rays that are typical year-round.
5. **Clothing**: Year-round we recommend clothing that is easy to move in and comfortable. Layering, even in the summer months, is recommended to adjust to the changing temperatures throughout the day. Slip-on shoes are recommended as we remove our shoes before entering meeting rooms. Modesty in dress while in public areas is requested: exposed bellybuttons, backs and midriffs is discouraged. The average temperatures are listed below to give you an indication of seasonal conditions.

   *NOTE: We do not have an ATM onsite. If you need cash, bring enough for your stay.*

   Additional considerations:
   - Spring: Nights can be chilly and a light jacket or warm sweater is recommended.
   - Summer: Bring a swimsuit to take advantage of our pool and Jacuzzi. We also have monsoons in July and August, a light raincoat is recommended.
   - Fall and Winter: Warm clothes for outdoor weather such as coat, gloves, hat, and scarf.

**Average Temperatures (source Weather.com)**

We are located in the high desert, with a 4,500 ft altitude. Typical desert weather is warm or hot in the day, with dropping temperatures at night. We have occasional strong winds.
